Maypole dancing comes to Skipsea Village Hall

May Day, May 2nd and the art of maypole dancing has returned to Skipsea. After the disappointment of last year's cancelled May Day, it was decided by the Village Hall Committee with the help of the Events Committee to restart the tradition of maypole dancing. Only this year it would involve the grown-ups as well as the local children. A motley group of adults and children were gathered together and, with the help of Barbara Davlin and her instructions and a couple of rehearsals, the motley group was turned into dancers.

They gave two performances of various country dances and were very much appreciated by the group of spectators who braved the cold winds to watch.

Inside the hall cream teas were being served and a number of stalls were being well attended. A big thank you to everyone who volunteered to dance and to everyone else who took part in the day's activities. Hopefully, it will be an annual event once again.

Egg Hunt

Once again the annual egg hunt, on Easter Monday, was a great success. It was nice to be back at Skipsea Castle. Enticed by the thought of all those chocolate eggs, a large crowd of people gathered in the castle car park and at 2pm the gates were opened and they swarmed into the field and on to the castle ramparts. Over 700 eggs were scattered around and a couple of golden bunnies were also hidden. Children and adults busied themselves searching for the eggs while parents egged them on, (sorry). Once again there was a shortfall in the

decorated egg competition. Maybe next year we shall have an Easter bonnet competition.

Badapple Theatre.

The Badapple Theatre Co. came to Skipsea Village Hall once again on Thursday 12th May to present a comedy, 'The James Herriot Story'. Jonny McPherson, who portrayed all the characters in the play, was really good. It was nostalgic and funny and brought back many memories from the TV series. It is so nice to be able to go and watch live theatre on your doorstep in lovely surroundings and at a reasonable cost .MK .

Dog Fouling

I have been asked by a number of Skipsea residents to bring to notice once again the state of our village streets re DOG POO. Please, please can dog owners be more responsible for their dogs and

Smile –a- While

Sides man to newcomer at church door; “Good morning, How far down do you wish to sit?”

Baffled newcomer; “Well, all the way, of course”.

“Yes,” boasted the woman to the visiting American priest, “my family can trace its ancestry back to William the Conqueror.”

“I suppose” said the American, “You'll be telling me next that your ancestors were in the Ark with Noah.”

“Certainly not. My people had a boat of their own.”
