### **A big thank you**

I would like to thank the History Group, the Over 50s Group, the Parish Council and the Village Hall for their kind donations to `Your Mirror on Skipsea`. Without these donations there would not be a newsletter for Skipsea. Each time it is printed the cost goes up a little. Since I have purchased a new printer, (also from donations) I believe the quality of the photographs and posters has improved.

Hello again. Well, you'll never believe this, after my trouble with that small cupboard the house owners have made it into a wonderful home for me.

They have made it watertight, put in soft flooring and given me a deep, soft, warm bed to sleep in - `Heaven`. The door has a proper catch on it so it can't slam shut and if the weather is a bit cold or wet I get room service. Last week, when the owners were away, my meals were given to me by the people next door right on top of where I live. I still go around to all my old friends to see if I can cadge a treat or find a sunny spot in their gardens. When I am not sleeping I like to sit at the front of the house and watch for my house owners to come home. Oh, here they are now, must dash; can't be late for dinner.

### Skipsea Over 50s Club

The new season began at the over 50s club with a prize bingo afternoon and has now settled into its two monthly meetings. For the meeting on Thursday 8th of March there was a painting afternoon. A lovely young lady called Elizabeth showed everyone how to set up and paint a watercolour picture of a flower. It was a very in-

teresting afternoon and everyone seemed to enjoy it but, after the intense concentration needed, the tea and cakes were very welcome. A party to

celebrate the jubilee is being planned in June and other afternoon entertainments are on the way. Come and see for yourselves. Fortnightly on a Thursday; next one 5th April.

Meatloaf Tribute

Just wanted to say how much my friends and I really enjoyed the Meatloaf tribute night. What a great atmosphere, a good bar and a good act. The guy did a great job of involving the audience; we certainly danced and sang along. I have to say the highlight of my night was getting up on stage and participating in two of the songs. I even got to ride on the back of his `chopper`. I hope there will more events like this in the village hall, we will definitely be attending.
