## OPEN GARDENS

Well for once we had a decent Sunday. With stories of heavy showers all around us, the Skipsea Open Gardens got off to a good start. About a dozen brave garden owners let their gardens be scrutinised by the general public. As Angie and Joan from their gardens in Skipsea Brough said:

“The chance to meet people from the village and do something a little bit different. It’s been nice to have everything in the garden tidy at the same time”. “Trying to keep on top of things, and finding out what people have to say after all the preparation that goes into it; because I’ve had to do it, it made me focus a lot more “.

All the gardens looked splendid and a lot of hard work went in to making the gardens look right on the day. There were quite a lot of visitors, from Hull, Cottingham, Sutton, Ulrome, Bridlington as well as a number of Skipsea Residents. The organisers from the Garden Club said they were thrilled by the turnout and would like to thank everyone who helped to make it a good day.

### BAG IT AND BIN IT

The East riding of Yorkshire Council's dog warden service is undertaking a campaign to promote responsible dog ownership. Responsible dog ownership covers a variety of issues including dog welfare and preventing your dog from straying, but probably of most concern is dog fouling.

There is a dog control order in force that makes it an offence to fail to clean up after your dog has fouled a place to which the public have access. The dog wardens will be visiting your area to enforce this order and issue fixed penalty notices to offenders (£75). If you have any information that will allow us to challenge dog owners who fail to clean up after their dog or deposit bagged dog muck as litter please let us know, by reporting them on 01482 396301 or by e-mail to [pests.dogs@eastriding.gov.uk](mailto:pests.dogs@eastriding.gov.uk)

Nobody likes to stand in dog muck so please be a responsible dog owner and clean it up - remember it may be you who stands in it. Environmental Control Manager. ERYC

### ABBA Night

What a great night! Abba Sensations put on a toe tapping performance of Abba songs. The hall took on the persona of a band venue and the four performers came onto the stage and gave a really enjoyable rendition that had the majority of the audience up on their feet singing and dancing. Well done Skipsea Village Hall for bringing these events to Skipsea for those few who choose to come out for an enjoyable evening at a venue that you could walk to and fro from, Sensational!

### Garage/Yard Sale

The Garage sale held in August by the Village Hall, was a great success. The homeowners that took part managed to clear many of their unwanted items and make some money, whilst not having to leave their home. Next year we are going to hold a sale in early spring and one in the summer holidays so we are hoping that even more homes will participate.

Thank you to all who contacted me with regards their tap water. Our local MP, Greg Knight, followed up my letter complaining about the state of our water and he wrote to the CEO of Yorkshire Water. The CEO wrote to me and said that there is to be a follow up sampling of our water. Greg Knight would like of those that contacted me to drop him a letter with your complaint of the tap water. His address is as follows. The Rt Hon Greg Knight, MP. House of Commons, London. SW1A 0AA. Since I notified Yorkshire Water of the response from the readers of this newsletter they appear to have increased the water pressure .. has anyone else noticed this or are you still having trouble with the smell and taste of chlorine? Please either contact me or write to Greg Knight. Jan Waldron 468194

Commenting on a complaint from a Mr A Purdey about a large gas bill, a spokesman for North West Gas said: "We agree it was rather high for the time of year. It's possible Mr Purdey has been charged for the gas used up during the explosion that destroyed his house" (Daily Telegraph )

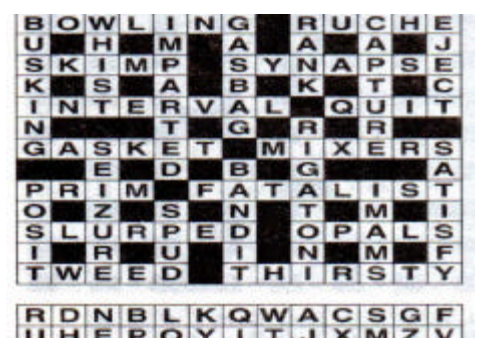

Irish police are being handicapped in a search for a stolen van because they cannot issue a description. It's a Special Branch vehicle and they don't want the public to know what it looks like. (The Guardian)

A young girl was blown out to sea on a set of inflatable teeth and was rescued by a man on a inflatable lobster. A coastguard spokesman commented: "This sort of thing is all too common. (The Times)

At the height of the gale, the harbour master radioed a coastguard on the spot and asked him to estimate the wind speed. He replied he was sorry but he did not have a gauge. However, if it was any help, the wind had just blown his Land Rover off the cliff. (Aberdeen Evening Express)

**DRAMA CLUB**
