HAPPY NEW YEAR TO ALL SKIPSEA RESIDENTS FROM YOUR MIRROR ON SKIPSEA

Just to say we had a lovely evening back in November when I organised a get together to thank all the wonderful people who help and have helped in the past to keep the Mirror going.

Mrs Enid Cross made a lovely fruit cake for the occasion and a photograph of me cutting the cake was published in the Hornsea Gazette. Once again a big thank you to all helpers.

I would also like to tell you that the Mirror will be back to its original distributions of six-weekly editions, thanks to a generous donation from the Parish Council, so hopefully everyone will be kept up-to-date with all the happenings in the village. So if anyone wants to advertise an event or an occasion please let me know.

SKIPSEA CAROLLERS CHRISTMAS CONCERT

Sunday afternoon 16th December the carollers were all assembled and, after a quick rehearsal, they took their place on the stage which, thanks to some members of the team, looked very festive. A good number of people arrived and the concert, which began with a mixture of carols and traditional Christmas songs, was underway. It was concluded with a five minute pantomime about Cinderella, with two majestic ugly sisters taking part, which went down well with an appreciative audience. The afternoon raised £241- a wonderful amount - and that will be shared between Martin House, Wetherby and Sunshine House, Hull, two children's hospices. A big thank you to the carollers for all their hard work at rehearsals and at the concert.

Nativity

Christmas Eve once again brought the story of the Nativity to the streets of Skipsea. The birth of Jesus once again unfolded as Denys Fell told the age old story, which gives Christmas its meaning, as Mary and Joseph made their way through the streets to find a stable where Christ could be born. The Shepherds, Kings and Angels came together to join Mary, Joseph and the babe. As the calves lowed and the congregation, who had followed the progress through the streets, sang carols and gathered at the crib in Village Farm, the Christmas Blessing was given.

Thank you to all those who once again gave up time on Christmas Eve (as well as before and after), to make this annual event happen. It would not happen without you. The collection of £104,68 will be added to the money collected at the Carol Concert and will go to local children's charities.

East Riding Neighbourhood Watch Association

Just a reminder to all Skipsea Residents to be on your guard against cold callers. If someone calls out of the blue offering to do some work on your house or

telling you they need to check on something in your home it is probably just a scam either to obtain money from you or steal from your property do not trust anybody that comes without warning. Even when you have called someone in to do a job for you check who they are. BE SAFE in your own home and if you see any thing suspicious at your neighbours tell somebody in authority.

Village Hall Christmas Lunch

A big thank you to the village hall Committee who gave us such a wonderful Christmas lunch. The hall looked festive, the meal was hot and tasty well done !very well organised. From a very satisfied senior citizen

DOGS TRUST

A big thank you from me and from the Dogs Trust to everyone that sent dog coats and blankets for the Dogs Trust Hope Project, we managed to send 12 coats and 3 blankets which was excellent considering the short notice that was given. The Dogs Trust have written to say they sent out parcels to more than 700 dogs and hopefully they will be able to send more this year.

Smile-a while

I live in a semi rural area. We recently had a new neighbour call the Highways Department to request the removal of the 'DEER CROSSING' sign from our road.

The reason "Too many deer are being hit by cars on that stretch of the road, I don't think this is a good place for them to be crossing any more"
 Story from Potters Bar

The traffic light on the corner buzzes when the lights turn red and it is safe to cross the road.

I was crossing with an intellectually challenged friend of mine.

She asked if I knew what the buzzer was for. I explained that it signals to blind people when the light is red.

Appalled, she responded, "What on earth are blind people doing driving?"

She is a Local county Council employee in Harrow
